Talk of the Times in the World of Sport.

MISSOULA GOT THERE

Several Great Games of Base Ball Played Yesterday—Bellevue Against Hailey.

Special to the Standard.

MISSOULA, Sept. 20.—The ball game between the Missoula and Hailey, Marks & Co.'s team of Spokane was better attended than any former one this season. The weather was superb.

The visitors were not equal to the home team, and the score was 18 to 2. The Spokane men are a fine crowd and won the respect of everybody by their gentlemanly conduct. No dispute occurred except in the seventh inning, and that was settled.

The visitors went to bat first. McBroom made a base hit and stole second; Stowe went out on a fly to Border near the home plate; Connors struck safe, stole second and McBroom stole third; Eckman struck out; Gumpf went out on a grounder to O'Brien to Harpster, leaving McBroom on third, Connors on second.

Harpster got first on a grounder to Gumpf on third, which he fumbled, and went to second on a passed ball and to third on a wild pitch; Chilton took first on balls and stole second; Border struck out; Wallace got first on three strikes and Harpster second; Wallace got second and Chilton scored on an error of Connors, who threw high to second; Morin struck short into short stop, who threw wild to Connors, and Wallace scored; Morin got second on Connors' high throw; Harpster struck out and Morin died on second.

Second inning—Gundlach went out on a fly to Smith; McCullam got first on a fly muffed by Harpster; Donovan went out by Morin to Harpster; Stopher went out by O'Brien to Harpster. McCullam died on second; Campbell struck safe over second and stole second; O'Brien struck out; Harpster struck safe to left and Campbell got third; Harpster stole second; Chilton took first on balls; Border struck to third, who threw home and Connors fumbled, letting Campbell and Harpster score; Chilton got third and Border second; Wallace batted to McBroom on third, who fumbled; Morin struck safe to center; Harpster went out on a fly to Donovan; Wallace got third and Morin scored on a passed ball; Smith went out on a fly to Gumpf, and left Wallace on third and Morin on second.

Third inning—McBroom struck out; Stowe flew out to Wallace; Connors struck a two base fly over to Harpster; Eckman struck a three base fly to left center, and sent Connors in; Gumpf got out on a fly to Chilton, leaving Eckman on third; Campbell went out on a fly foul to Connors; O'Brien was thrown out at first by Connors; Harpster went out on a fly to Eckman.

Fourth inning—Gundlach struck out; McCullam went out by O'Brien to Harpster; Donovan flew out to Harpster; Chilton got out by a fly to Eckman; Border struck safe to short left and stole second and got to third on a passed ball; Wallace struck out; Morin struck safe to center and stole second, and Border scored; Harpster struck out, leaving Morin on second.

Fifth inning—Stopher struck a three-base fly to left center; McBroom struck out; Stowe went out on a fly to Smith; Stopher got out on home by Smith to Border. Smith was struck by a pitched ball and took first; stole second and got third on a passed ball; Campbell went out on a fly foul to Eckman; O'Brien struck safe over second and was put out on second by Gumpf to Stowe; Harpster scored and Harpster struck out.

Sixth inning—Connors got first on Morin's error in throwing wild to Harpster and took second; Eckman took first on a fly muffed by Chilton; Connors scored and Gumpf got first on a grounder to Wallace; Gundlach got first on a grounder to Wallace who threw Eckman out on third; McCullam struck out; Donovan went out to Harpster leaving Gumpf on second and Gundlach on first. Chilton struck safe to third, got out on second by Gumpf to Stowe; Border went out by Stopher to McBroom; Wallace was thrown out at first by Gumpf.

Eighth inning—Stopher struck safe over second and stole second; McBroom was caught out on a fly to Chilton; Stowe went out on a fly to Morin, who put out Stopher, who had started for third—double play by Morin unassisted. Morin got first on a bunted ball; Harpster got first on a grounder to Stopher, who threw to second, who muffed, and Morin went to third; Stowe on second threw to third, who muffed, and Border got second; Smith got first on Stopher's error in not stopping a grounder; Stopher threw to McBroom, who muffed, and Morin scored; Campbell went out by Stowe to McBroom, and Harpster scored; O'Brien was struck by a pitched ball, took first and stole second; Smith stole third and was put out at the home plate by Gumpf.

The umpire decided him safe, but the visitors objected, and their manager ordered them off the grounds, so Smith was called out. Harpster got first on three strikes and stole second, Chilton struck a safe liner over first and let O'Brien and Harpster in and Chilton to second. Border struck safe to third, who threw to first and Chilton got third. Wallace struck safe to second and Chilton scored. Morin was put out on a grounder to third to first, leaving Border on second and Wallace on first.

Eighth inning—Connors went out by a fly to Harpster; Eckman got out by a fly to Smith; Gumpf went out by O'Brien to Harpster; Harpster struck out; Smith got first on a grounder to Donovan on second; Campbell struck a two base fly to left and let Smith in; O'Brien was struck by a pitched ball and took first; Campbell got third and O'Brien scored on a passed ball; Harpster got first on a grounder to Donovan, who threw to Gumpf, who muffed and Campbell scored. Chilton struck out; Border struck safe to left and advanced O'Brien to third and Harpster to second. O'Brien stole home and Harpster third; Harpster scored on a passed ball; Wallace went out by a fly to Stopher.

Ninth inning—Gundlach got first on a fly muffed by Wallace; McCullam struck out; Gundlach got out on second by O'Brien to Morin; Donovan went out by

Moran to Harpster. The last half was not played.

Struck out—by O'Brien 6, by Stopher 10. Two base hits—by Campbell and Connors. Three base hits—by Stopher and Eckman. Passed balls—by Connors 3, Gumpf 4. Umpires—Fots and Christie. Time—1 1/2 hours and 25 minutes.

TWO GAMES IN ONE DAY.

Bozeman Plays Great Ball and Twice Defeats the Cracker City.

Special to the Standard.

BOZEMAN, Sept. 20.—If a base ball club could cover itself with glory by beating twice in one day the best nine that could be picked out of the city of Helena, the Bozeman club won lots of it to-day. The Helena Athletics and the Bozeman played two games here to-day. In the forenoon the score stood at the close 25 to 5 in favor of Bozeman. Bently and Early did the pitching for Bozeman in this game, and did well. The game was all one sided and not very interesting. Some complaints were made because the Bozeman let the Helena team make a single score.

It was decided in the afternoon to try and shut the Helena out and satisfy the people. This report being circulated a very large crowd assembled to see the second game. Ross, a coal miner from Timber Line, who has been playing with the Bozeman team for the last three weeks wanted to try his hand in the box, and it was finally decided to let him pitch the first inning. The game was called at 3:30, and the gentlemanly ball player from the Timber Line coal mines threw lively balls over the home plate, and the first victim struck out his name was Erieh. Bateina and Jackson followed suit and the Bozeman took the bat and scored two.

The Helena came to the bat again but failed to get in a run. After that "It was the same thing over again." They came regularly to the bat but could not get a man to first. If they did not strike out, the ball was gathered in the field and sent over to Porter in time to put out the runner. Finally Mundy reached first through Early fumbling the ball and there he stayed until the side went out. Twice in the game a man reached the third but could not get home, while the Bozeman continued to pile their runs until they scored 20, not taking their last half of the ninth inning, nor did they take their last half in the ninth inning in the morning game.

The McFetters brothers, two of Bozeman's best players, did not play to-day. All of the Bozeman boys who were in the game played good ball.

The Helena boys played hard, but were not in it. Score 20 to nothing, in favor of Bozeman.

The Missoula team will play our boys three games this week during the fireman's tournament, which will be on the 23rd and 24th.

A SPLENDID CONTEST.

Bellevue Defeats Hailey in an Exciting Game of Ball.

BELLEVUE, Idaho, Sept. 20.—The return game of base ball for a prize of \$100 between the Bellevue and Hailey team took place here to-day in the presence of 700 people. The town of Hailey was well represented, as was also Bellevue, the diamond being encircled with vehicles containing crowds of enthusiasts. The game was called at 1:30 and although there were several errors on both sides the play was close and exciting from the start, and the score was kept down.

At the end of the sixth inning the score stood 3 to 6 in favor of Hailey, but the latter were blanked in their half of the seventh, while the Bellevue brought in four runs, making the score stand 6 to 7 in their favor.

At this juncture the excitement was intense. Bellevue was blanked in the eighth and ninth, while Hailey managed to tie the score in their half of the ninth, necessitating another inning.

In the tenth Hailey failed to get a man past first base when Bellevue presented Pitcher Richard French at the bat, driving the ball to left center field, winning the game for Bellevue without finishing their half of the tenth. Score, 8 to 7.

Time of game, one hour and 45 minutes.

At periods during the game many bets were offered by the Hailey sports which were quickly taken by Bellevue. The game was characterized by very little kicking and was umpired by Dr. D. W. Higgins of Hailey to the satisfaction of all.

BASE RUNNERS

Philipburg Witnesses a Remarkable Game of Base Ball.

Special to the Standard.

PHILIPBURG, Sept. 20.—Notwithstanding the inclement weather the ball game between the Pats and the Leans took place to-day at the ball park. A. A. McDonald left town this morning, evidently having received his price for not playing. The game throughout was very interesting, and although a few errors were made on both sides, there was also some phenomenal playing and the base running of the Pats was simply grand. Although considerable kicking was indulged in at the umpire's decisions were undoubtedly just, as both are well known, honorable gentlemen who are above purchase for a few paltry dollars, as has been intimated by several spectators.

The game was called at the end of the seventh inning. Score, 15 to 15 in favor of the Leans. Lots of money changed hands and the Pats challenged the Leans to another game next Sunday for \$50.

Superintendent Ring of the B-Metallic was signed to play with the Leans, but at the last moment refused to play on Sunday.

Joe Chynaski, so terribly punished in his second defeat by Godard, is going to South Africa before he returns to his California home.

SPORTING GOSSIP.

The announcement published in the STANDARD yesterday morning that C. W. Williams' wonderful entire horse Allerton had lowered the world's trotting record for his class to 2:09 1/4—within half a second of the best trotting record now held by Maud S.—caused a good deal of surprise. It is announced that Nelson's owner will send him against any trotting horse in the world for a purse of \$5,000 a side, the winner to take all. If there is any horse on earth that can beat Allerton's time that horse is Nelson. But I incline to the opinion that the great son of Jay Bird has no equal at the present day. If the time of Maud S. is equaled or beaten this year I look for Allerton to do it. And after all it is quite likely that should Williams consent to match his great colt with Nelson in a race like the one proposed, Nelson's backers would pocket the stakes. In a race the old horse would have a decided advantage as he is famous for his coolness in harness. He wastes none of his energy scoring or fretting and stays with his task from start to finish no matter how much excitement may prevail around him. A young horse like Allerton would be more likely to fret and skip and lose time and energy, and come in second to a horse possessed of a little less speed.

The champion stallion Allerton did not quite come up to expectations when he was asked to beat such a great campaigner as the Kentucky mare Nancy Hanks, but he trotted the three fastest heats ever recorded for an entire horse, and since then he has cut his figures down to 2:11, then to 2:10, then to 2:09 1/4. C. W. Williams, Allerton's owner, says if any trotter cuts down Maud S.'s 2:08 1/4 this year, it will be not Sunol but Allerton.

Allerton is a beautiful, dark-brown, splendidly built horse. Insiders say he is superior to his brother-in-blood, Axtell, alleged to have been sold for \$105,000, over whom such a contest about his taxable value has been raised recently. Allerton is an inbred Wilkes with a strong outcross of Mambrino Patchen, through the son of that famous sire, Mambrino Boy. He was foaled in 1886, and is by Jay Bird out of Gussie Wilkes, she by Membrino Boy; granddam Nora Wilkes by George Wilkes. As a 3-year-old Allerton trotted to a record of 2:18 3/4 at Chicago, and as a 4-year old he went in 2:15 1/2. Many people think that Allerton was long the favorite over Axtell, of the astute reinman and trainer, C. W. Williams, who bred them both, remembering that at the grand circuit meeting at Cleveland in August, 1889, when he exhibited both colts—they were then 3-year-olds—he sent Axtell a mile in 2:14 3/4, not letting Allerton go better than 2:17 1/4. Allerton seems to have a better, more enduring build than Axtell, having trained on superbly while the latter has gone lame, and it is probable Williams, who is a wonderfully sharp observer and the most patient of trainers, was awake to the difference between the colts he was driving.

Occupying the position that he now does, the breeding of Allerton becomes of more importance than ever before. His sire, Jay Bird, has been somewhat overlooked in the last few years, and it was not until the present season that he has been recognized as one of the most successful sons of George Wilkes. True, his dam was not a daughter of Mambrino Patchen, but it is equally true that he has placed himself in a higher position as a sire than was ever occupied by a son of George Wilkes, whose dam was by Mambrino Patchen, at Jay Bird's age. And it cannot be said that Jay Bird has had superior opportunities. His dam was by Mambrino Star, son of Mambrino Chief. She was also the dam of Early Dawn, 2:21 1/2, and his granddam was Lady Franklin, 2:29 3/4, producing Cottage Girl, 2:29 1/2. Jay Bird at 13 years old has 10 of his get in the 2:30 list, and one of his sons, Eagle Bird, is the sire of the champion 2-year-old Monbars, 2:20.

Mambrino Boy, the sire of Allerton's dam, son of Mambrino Patchen and sire of the dam of Axtell, 2:12, and many other fast ones, had George Wilkes for a great-grand sire. The four top crosses of Allerton's pedigree are made up of two direct crosses to George Wilkes and two crosses to Mambrino Chief; the product is the fastest, gamest 5-year-old stallion on record. Allerton is a horse whose breeding fits him to occupy the high position which his performance gave him.

In these days when every hour nearly makes a new record in some class the following table of performances will be found interesting:

But 13 horses have ever gone a mile to harness in 2:10 or better in public under any conditions. They are as follows:

Westmont, pacer, with running mate—against time.....2:09 1/4
 Minnie R., pacer, with running mate—against time.....2:09 3/4
 You bet, pacer, with running mate—against time.....2:09 3/4
 H. P. Winslip, trotter, with running mate—against time.....2:09 3/4
 Direct, pacer—against time.....2:09 3/4
 Johnston, pacer—against time.....2:09 3/4
 H. P. Winslip, pacer—against time.....2:09 3/4
 Frank, trotter, with running mate in a race.....2:09 3/4
 Maud S., trotter—against time.....2:09 3/4
 Nat Foster, pacer—in a race.....2:09 3/4
 H. P. Winslip, trotter, with running mate in a race.....2:09 3/4
 Jay-Lee, trotter, in harness—against time.....2:10
 Allerton, trotter, in harness—against time.....2:10
 Cricket, pacer, in harness—against time.....2:10
 One horse, H. B. Winslip, has twice beaten 2:10, and Johnston beat 2:10 eight times in one year.

FASTEST HEAT EVER TROTTED IN A RACE.
 By a stallion—Pats A. A., third heat.....2:10
 By a mare—Nancy Hanks, first heat.....2:10

American Association.

COLEBURN, Sept. 20.—Columbus 2, Baltimore 3.

MILWAUKEE, Sept. 20.—Milwaukee 4, Boston 5.

ST. LOUIS, Sept. 20.—St. Louis 16, Washington 11.

LOUISVILLE, Sept. 20.—Louisville 7, Athletic 2. The second game was given to Louisville, 9 to 0, by the umpire because the Athletics refused to obey his orders, and he sent the players from the field.

HELD UP ON THE STREET.

Butte Is Not Yet Rid of the Gang of Footpads.

BUTTE, Sept. 20.—Several weeks having passed since a highway robbery took place in the city the community began to think that the gang of cut-throats and thieves who terrorized this city during the summer had gone elsewhere. This appears to have been a mistake, at least so thinks Duncan Esterbrook, who had an exciting experience with a road agent this morning shortly after 3 o'clock.

Mr. Esterbrook was going down Arizona street toward South Butte and had got as far as the corner of Porphyry when a man suddenly confronted him with a pistol and demanded his valuables. Drawing a small penknife from his pocket Mr. Esterbrook offered it to the footpad with the remark that it was everything he had with him and at the same time he backed away from the fellow, who kept advancing toward him.

Mr. Esterbrook made an attempt to reach for the revolver when the footpad raised the weapon and fired at him point blank, but fortunately for Esterbrook the aim was poor and he missed. As soon as the fellow fired Esterbrook began to call for the police and ran back up Arizona street, while the highwayman turned and started west on Porphyry street. Esterbrook continued to run until he reached Galena street, where he met Officer Donovan, to whom he told his experience.

The officer at once went with him to where the assault occurred, but no trace of the robber could be found.

In addition to escaping with his life Mr. Esterbrook also saved \$100 that he had with him. The corner of Arizona and Porphyry seems to be a favorite locality for footpads, as at least half a dozen robberies have taken place there this summer. This is the same place at which the man Ledford was robbed and almost killed by three men last month. That robbery was witnessed by William Draper, through whose coolness the robbers were arrested and are now in jail.

IT IS PASSING STRANGE.

Alexander Corey's Mental Condition Considered a Great Mystery.

BUTTE, Sept. 20.—Alexander Corey, the man who was examined as to his sanity a few days ago and was adjudged insane, was taken to the asylum to-day by Under Sheriff Gallagher. During the few days Corey remained in jail here after his examination little change was noted in his condition. He was perfectly harmless during the time of his imprisonment, and was continually asking simple questions and would repeat the same query over and over again. The insanity of this man is by all his acquaintances considered as being extremely strange and no good reason can be assigned for his mental derangement. Until within the last few months Corey was considered to be a very rational man, and his present condition cannot be accounted for by anyone. He was widely known here and highly respected.

THOMAS RELENTED.

He Had a Friend Arrested Then Put Up a Bond and Got Him Out.

BUTTE, Sept. 20.—This evening Officer McAuliffe arrested Frank Evans on complaint of David Thomas for disturbing the peace. The officer took his prisoner to the station followed by Thomas. When they reached the lockup, Thomas relented and wanted Evans released, saying he had done nothing.

The request was refused by the jailor, who proceeded to place Evans behind the bars which made Thomas more resentful than ever, and he decided that rather than to see him locked up he would furnish bonds for Evans' appearance tomorrow. The proposition was accepted and Thomas deposited \$25 for his friend's presence in court. The two then left the station together.

Kalispeil Is Happy.

Special to the Standard.

KALISPEIL, Sept. 20.—A number of prospectors who came into town to-day tell of a rich find in copper and silver leads, about 35 miles east of Kalispeil, near the line of the Great Northern railroad.

Quite a few locations have been made and there was considerable excitement in town over the report of this find.

It is said there is one vein 40 feet wide and assays show \$84 in silver and copper.

The Billville "Banner."

From the Atlanta Constitution.

Billville is on the move. An engine jumped the track last night and knocked the postoffice clear out of the county.

We return thanks for an annual pass on the East Tennessee road. It comes in good time, for we would not willingly burn a bridge or wreck a single locomotive on the road.

We have been asked to run for state senator next year, but unless our subscribers pay up more promptly we will be too weak to run for anything.

Complaints About Park Street.

BUTTE, Sept. 20.—Quite a number of taxpayers in West Park street are complaining about the condition of the street. They think it would be a good idea to have the street drained before the fall storms begin when it will be too late. A few days work with the city's cars and horses would remove the source of complaint and leave the street in splendid condition for winter.

Nellie Says She Didn't.

BUTTE, Sept. 20.—Miss Nellie Harvey denies that she was a party to an affair that occurred in the western part of the city a few nights ago. She says that the persons who gave circulation to the matter are mistaken and that if such an episode really occurred she knows nothing about it.

More Records Were Broken.

ST. JOHN, N. B., Sept. 20.—At the annual sports of the St. John Amateur Athletic club Saturday, the following track records were broken: Four-forty yard race won by Reilly in 33.5. One mile run won by Baxter in 4:45 4-5. One mile walk won by McAndrews in 8:15 2-5. Vincent won the broad jump in 21 feet.

Poor Larry Corcoran.

NEW YORK, Sept. 20.—Larry Corcoran, the once famous pitcher of the Chicago ball club and later a member of the New York club, died at Newark, N. J., last night of typhoid fever.

Two Drowned.

PEORIA, Ill., Sept. 20.—Joseph Harper, colored, and Herbert Thompson, white, were drowned in the river today while fishing by the capsizing of their boat.

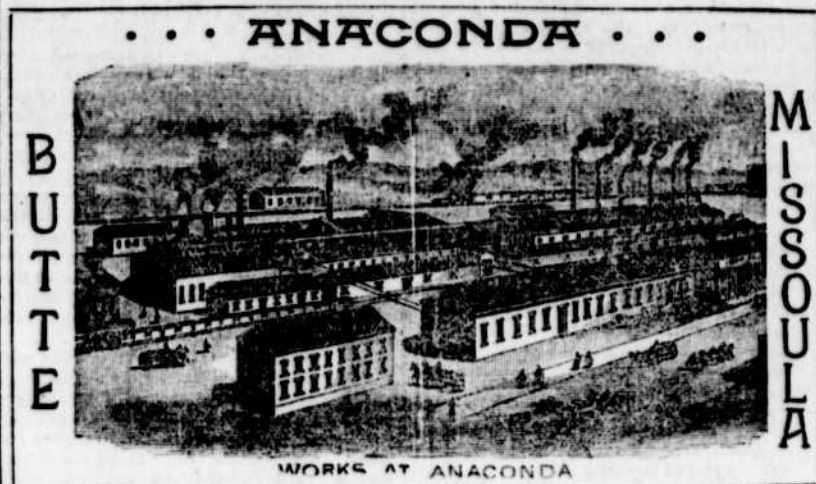

Billy McCarthy, the Australian middleweight, and Toff Wall, of England, have signed articles to fight in the National club, London, for \$1,000 a side and a \$2500 purse, during the last week in October.

The London school board are educating 20,866 more scholars now than they were three years ago.
